

Privacy Notice For Business Partners

1. Purpose and Scope

Srisawad Capital 1969 Public Company Limited (the "Company") is committed to performing its duties in accordance with the Personal Data Protection Act B.E. 2562 (2019) (the "PDPA"). This Privacy Notice will help you understand the Company's practices regarding the protection of your personal data (as defined below), explain the reasons and methods by which the Company collects, uses, discloses, transfers to foreign countries, and/or otherwise processes (collectively referred to as "processes") your personal data, and describe the rights you have regarding your personal data, including the right to protect such personal data.

This Privacy Notice applies to the processing of personal data of business partners with whom the Company communicates and enters into contracts. All related parties should read, understand, and review this Privacy Notice regularly in order to have a thorough understanding of the processing of their personal data.

In this Privacy Notice, "Personal Data" means any information relating to a living individual which can identify that person, either directly or indirectly, and "Sensitive Personal Data" means any personal data relating to race, ethnic origin, political opinions, religious or philosophical beliefs, sexual behavior, criminal records, health data, disability, trade union information, genetic data, biometric data, or any other data that may affect an individual in the same manner as prescribed by law.

This Privacy Notice applies to business partners (including individuals associated with juristic persons that are contracting parties) who communicate and enter into contracts with the Company, collectively referred to in this Privacy Notice as "You" or "your".

If you have any questions or suggestions regarding the Company's practices in protecting your personal data, or if you wish to exercise your rights under the PDPA, you may contact the Company through the following channels:

2. Persons Authorized to Process Your Personal Data

As the Company has the role and duty to determine the purposes and means of processing your personal data in accordance with the PDPA, the Company acts as the Data Controller of your personal data.

3. Personal Data Collected

The Company collects personal data of business partners (including individuals associated with juristic persons that are contracting parties), including but not limited to the following:

- a) Identification data, such as name, surname, signature.

4. How the Company Collects Your Personal Data

Generally, the Company collects your personal data directly when you communicate with the Company. However, in some cases, the Company may collect your personal data indirectly through third parties.

5. How the Company Uses Your Personal Data

The Company uses your Personal Data to carry out various activities within the scope and for the purposes of such activities, including but not limited to:

- a) Entering into contracts;

The Company relies on the following legal bases to process your personal data. Note that the legal bases specified below do not apply to all of your personal data processing. The processing may rely on one or a combination of several legal bases.

- 1) **Contractual Basis:** The Company has a duty to process your personal data to enter into a contract with you. The personal data required for processing under this basis is mostly the data appearing in Section 3. In the event that you do not provide any personal data to the Company for the specified purposes, the Company may not be able to enter into a contract with you.
- 2) **Legitimate Interest Basis:** In some cases, the Company needs to use your personal data for the legitimate interests of the Company, such as communicating with you. Such legitimate interests must not override your fundamental benefits, rights, and freedoms.

6. To Whom Does the Company Disclose or Transfer Your Personal Data?

For the purposes specified in this Privacy Notice, the Company will not disclose or transfer your personal data to third parties.

7. International Transfer of Personal Data

For the purposes specified in this Privacy Notice, the Company may disclose or transfer your personal data to third parties or servers located in foreign countries, which may or may not have personal data protection standards equivalent to those of Thailand. Furthermore, the Company has implemented measures ensuring that your personal data is transferred securely, that the recipients apply appropriate personal data protection standards, and that such transfers of personal data comply with the PDPA.

8. Security Measures for Personal Data Protection

The Company has established technical and administrative measures to prevent the loss, misuse, as well as unauthorized access, disclosure, or alteration of your personal data. Third parties must also process your personal data in accordance with the Company's security policy.

9. Retention Period of Your Personal Data

The Company will retain your personal data for as long as reasonably necessary to fulfill the scope and purposes specified in this Privacy Notice, and to establish, exercise, or defend legal claims. However, the Company may be required to retain your personal data for a longer period if required by any applicable laws.

10. Your Rights Regarding Personal Data

Subject to the provisions and exceptions of applicable laws, your rights regarding your personal data are as follows:

a) Right to Access Personal Data: You may have the right to request a copy of all your personal data that the Company is processing.

b) Right to Data Portability: In cases where the Company has a platform that allows you to access your personal data by automated means:

- 1) You may have the right to request the Company to transfer your personal data to another organization by automated means.
- 2) You may have the right to request the Company to transfer your personal data directly to another organization, except where restricted by technological limitations.

c) Right to Object to Personal Data Processing: You may have the right to object to the processing activities of your personal data based on legitimate interests.

d) Right to Request Erasure of Personal Data: You may have the right to request the Company to delete your personal data that the Company is processing, or to make such data anonymous, in the following cases:

- 1) In cases where your personal data is no longer necessary for the purposes of processing.
- 2) In cases where you have withdrawn your consent for the Company to process your personal data.
- 3) In cases where you object to the processing of your personal data, which the Company has performed based on legitimate interests, and the Company has no overriding legitimate grounds for processing the personal data.
- 4) In cases where the personal data processing activity is not in accordance with the law.

e) Right to Request Suspension of Personal Data Processing: You may have the right to request the Company to suspend the processing of your personal data in the following cases:

- 1) In cases where the Company is verifying your request to exercise your right to rectify your personal data.
- 2) In cases concerning personal data that you have previously requested the Company to delete, but you have subsequently exercised an additional request for the Company to suspend the processing of your personal data instead.
- 3) In cases where the personal data processing period has ended, but you have requested the Company to suspend the processing of personal data for legal reasons.
- 4) In cases where it is under the process of verification regarding an objection to the processing of personal data.

f) Right to Request Correction of Personal Data: You may have the right to correct your personal data so that it is accurate and up-to-date.

Please be informed that the exercise of your rights as specified above is subject to various relevant factors, and the Company may not be able to comply with your request if the Company can cite any legal basis to continue processing your personal data.

In the event that you wish to exercise your rights regarding the protection of your personal data, you may contact the Company through the channels specified above, and the Company will process your request rigorously and promptly.

11. Amendment to the Privacy Notice

The Company may amend this Privacy Notice as deemed appropriate to improve the efficiency of processing your personal data. The Company will inform you if such amendments significantly affect the processing of your personal data or if the Company is required to do so by law.
